

## Notice of Status Change (NSC) –End-of-Life (EOL) for the L-series: L130 and L230 thin clients

NComputing hereby announces the End-of-Life (EOL) dates for the L-series: L130 and L230 thin clients. NComputing will end-of-Life the product and cease all hardware and warranty support on June 30, 2018.

All versions of the vSpace Server software that are specific to providing desktop virtualization for the L-series: L130 and L230 thin clients are also affected by this announcement and will follow the same EOL schedule. The latest affected versions of vSpace Server for the L-series: L130 and L230 thin clients are:

- vSpace Server for Windows 4.9.6.1 for Windows XP, Windows Server 2003 for the L-series: L130 and L230
- vSpace Server for Windows 4.9.5.11 for Windows XP, Windows Server 2003 for the L-series: L130 and L230
- vSpace Server for Windows 6.6.9.1 for Windows Multipoint Server 2011, Windows Server 2008 R2, Windows 7 (32-bit and 64-bit) for the L-series: L130 and L230
- vSpace Server for L-series version 3.2.2.8 for Ubuntu 10.04/12.04 for the L-series: L130 and L230

Table 1 lists the affected product(s) for this EOL announcement together with options for any replacement product(s). Table 2 describes the EOL milestones, definitions, and dates for the affected product.

**Table 1:** Products Affected by This Announcement

End-of-Sale Product	Replacement Release
<b>L-series: L130 and L230</b>	L300, L350
<b>vSpace Server for Windows 4.9.6.1 (for L-series: L130 and L230)</b>	N/A
<b>vSpace Server for Windows 4.9.5.11 (for L-series: L130 and L230)</b>	N/A
<b>vSpace Server for Windows 4.9.5.11 (for L-series: L130 and L230)</b>	N/A
<b>vSpace Server for the L-series version 3.2.2.8 for Ubuntu 10.04/12.04 (for L-series: L130 and L230)</b>	N/A

**Table 2:** End-of-Life Milestones and Dates for L130/L230

Milestone	Definition	Date
<b>Last Time Buy (LTB) Date</b>	This is the date when a specific thin client or software product will no longer be available for purchase by NComputing's channel partners. The LTB date for this announcement affects the L-series: L130 and L230 thin clients, vSpace Server for Windows 4.9.6.1, vSpace Server for Windows 4.9.5.11, vSpace Server for Windows 6.6.9.1, vSpace Server for the L-series version 3.2.2.8 (for Ubuntu 10.04/12.04)	June 30, 2015
<b>End of Software Support (EOSW) Date</b>	This is the date when NComputing ceases all support for the affected software and/or firmware product. The EOSW date for this announcement affects the L-series: L130 and L230 thin clients, vSpace Server for Windows 4.9.6.1, vSpace Server for Windows 4.9.5.11, vSpace Server for Windows 6.6.9.1, vSpace Server for the L-series version 3.2.2.8 (for Ubuntu 10.04/12.04)	June 30, 2015
<b>End-of Life (EOL) Date</b>	This is the End-of-Life date for the affected product. This is the date when NComputing stops developing, repairing, maintaining, testing, supporting or accepting RMA requests for the affected product. For any unaddressed issue, an upgrade path or migration to the latest version or product replacement is recommended.  On this date NComputing stops providing service and support for the: <ul style="list-style-type: none"> <li>• L-series: L130 and L230 thin clients,</li> <li>• vSpace Server for Windows 4.9.6.1 software release for the L-series: L130 and L230,</li> <li>• vSpace Server for Windows 4.9.5.11 software release for the L-series: L130 and L230,</li> <li>• vSpace Server for Windows 6.6.9.1 software release for the L-series: L130 and L230,</li> <li>• vSpace Server for the L-series version 3.2.2.8 (for Ubuntu 10.04/12.04) for L130 and L230</li> <li>• all other releases of the vSpace Server software for the L-series: L130 and L230</li> </ul> as entitled by current NComputing's Software Support, and the release becomes obsolete immediately.	June 30, 2018

### Additional Information

Q: What vSpace Server release(s) for the L-series: L130 and L230 thin clients will continue to be supported after the End-of-Life date?

A: No further releases of the vSpace Server for the L-series: L130 and L230 thin clients are planned.

Q: Can I continue to use the affected products after the EOL date?

A: Yes, all products (software and hardware) that are affected by this notice will continue to operate normally even after the EOL date for that product has passed. However, NComputing will not provide product updates, support or service for that product after the EOL date has passed.

February 05, 2016

Q: How does this notice affect support of L-series: L300 and L350 thin clients?

A: This notice does not affect support of L-series: L300 and L350 in any way. The L-series: L300 and L350 thin clients are the mainstream production thin clients for vSpace Server and all currently supported vSpace Server versions will continue to support the L-series: L300 and L350 thin clients.
