# Notice of Status Change (NSC) – Last-Time-Buy (LTB), End-of-Software-Support (EOSW) and End-of-Life (EOL) for the N-Series N600 thin client

NComputing hereby announces the Last Time Buy (LTB), End-of-Software-Support (EOSW) and End-of-Life (EOL) dates for the N-Series N600 thin client. NComputing will End-of-Life the product and cease all hardware and warranty support on December 31, 2020.

Table 1 lists the affected product for this EOL announcement together with options for any replacement product. Table 2 describes the EOL milestones, definitions, and dates for the affected product.

**Table 1:**     Products Affected by This Announcement

| End-of-Sale Product (Affected Product) | Replacement Product |
| --- | --- |
| N-Series N600 | RX-HDX Thin Client |

**Table 2**:       End-of-Life Milestones and Dates for N600

| Milestone | Definition | Date |
|---|---|---|
| Last Time Buy (LTB) Date for N600 thin clients | This is the date when the affected product will no longer be available for purchase* by NComputing's channel partners.<br><br>*While supplies last | December 31, 2017 |
| End of Software Support (EOSW) Date for N600 thin clients | This is the date when NComputing ceases all support for the affected software and/or firmware product. | December 31, 2018 |
| End-of Life (EOL) Date for N600 thin clients | This is the End-of-Life date for the affected product. This is the date when NComputing stops developing, repairing, maintaining, testing, supporting or accepting RMA requests for the affected product. For any unaddressed issues, an upgrade path or migration to the latest version or product replacement is recommended. On this date all software, hardware and firmware components of the affected products become obsolete immediately. | December 31, 2020 |

## Additional Information

Q: Can I continue to use the affected products after the EOL date?

A: Yes, all products (software and hardware) that are affected by this notice will continue to operate normally even after the EOL date for that product has passed. However, NComputing will not provide product updates, support or service for that product after the EOL date has passed.
